

Amendment to Project Agreement

Project Sponsor: Port of Skamania

Project Number: 14-1125C

Project Title: Stevenson Shoreline Restoration & Rec Enhanc

Amendment Number: 1

Amendment Type:

Scope Change

Amendment Description:

Pursuant to a request from the Sponsor, this scope change modifies the agreement to remove restoration activities that were deemed ineligible due to required mitigation, and adds park development activities that will enhance the public water access experience at this project site. The Agreement Description is also modified to reflect this change.

Agreement Terms

In all other respects the Agreement, to which this is an Amendment, and attachments thereto, shall remain in full force and effect. In witness whereof the parties hereto have executed this Amendment.

Project Title: Stevenson Shoreline Restoration & Rec Enhancement

Project Type: Development & Restoration

Program: Aquatic Lands Enhancement Acct

Amendment #: 1

Project Metrics

Sites Improved

Stream miles restored:	0.00
Project acres developed:	2.00
Project acres renovated:	0.20
Project acres to be restored:	0.00

Development/Restoration Metrics

Worksite #1, Stevenson Shoreline Restoration & Rec Enhancement

Buildings and Structures

Construct / install restroom

Number of restrooms:	1 new, 1 renovated
Select the restroom type :	Restroom

General Site Improvements

Construct picnic shelter

Number of group picnic shelters:	1 new, 0 renovated
----------------------------------	--------------------

Develop circulation paths or access routes

Select the surface of the path/walkway:	Asphalt
Linear feet of path/walkway:	25
Lighting provided (yes/no):	No
Number of walkway bridges:	0 new, 0 renovated

Develop viewpoint

Number of designated viewpoints:	1 new, 0 renovated
Select the viewpoint structures:	Benches/seating

Install fencing/barriers

Install lighting (general security)

Number of general security lights installed:	8
--	---

Install signs/kiosk

Number of kiosks:	1 new, 0 renovated
Number of interpretive signs/displays:	2 new, 0 renovated
Number of permanent entrance signs:	0 new, 0 renovated
Project involves installation of informational signs (yes/no):	Yes

Install site furnishings

Beaches along waterfront pathway and picnic tables at Leaven Street public river access beach

Landscaping improvements

Acres of landscaped area :	1.70
Select the landscape features:	Boulders, Grass/turf, Groundcover, Native vegetation, Trees/shrubs

Parking and Roads

Parking development

Number of vehicle parking stalls:	10 new, 10 renovated
Number of vehicle with trailer parking stalls:	1 new, 1 renovated
Number of accessible parking stalls:	
Vehicle	1
Vehicle with trailers	1
Select the parking surfaces :	Asphalt

Amendment Eligible Scope Activities

Select the parking enhancements:

None

Site Preparation

General site preparation

Trails

Trail development

Linear miles of trail :

0.18 new, 0.20 renovated

Select the trail surface types:

Asphalt, Concrete

Linear miles of boardwalk :

0.00 new, 0.00 renovated

Select the trail structures :

None

Number of trailheads:

0 new, 2 renovated

Water Access

Develop access point

Number of designated water access points:

1

Describe the designated water access point (stairs, ramp, etc.):

The new water access would be naturally sloped.

Cultural Resources

Cultural resources

Permits

Obtain permits

Finalize shoreline permit with City of Stevenson. Have HPA from WDFW, Permits from DOE and USACE

Amendment Agreement Description

Project Sponsor: Port of Skamania

Project Number: 14-1125 C

Project Title: Stevenson Shoreline Restoration & Rec Enhancem **Amendment Number:** 1

Agreement Description

The Port of Skamania will use this grant to expand the waterfront recreational opportunities in Stevenson, WA. The project will enhance the area through 975' of new paved trail, developing a new scenic overlook, a new public access point to the river, new restroom, new parking lot, and a new public park area. In addition to new development, this project also includes renovations to an existing restroom, renovating the existing trail segment, and paving a gravel parking lot, in addition to demolishing two structures in the project area. The new trail will feature lighting, benches, kiosks with historical information, picnic tables, nature inspired play structures, and adult exercise equipment to encourage movement along the path. The scenic overlook at Leaven's Point will incorporate railings, benches, stone work, and public art. The new public access point will be constructed by adding a sloping shoreline at Leaven's point designed for non-motorized activities such as kayaking, surf skiing, and outrigger canoeing. The new public park is being developed at the east end of Cascade Avenue near the existing boat launch and beach. It will offer incredible vistas of the Columbia River Gorge and will house a picnic pavilion, concrete platforms, and other park amenities targeted for visitors, swimmers, windsurfers, and other recreationalists. Native plantings will be utilized throughout the project area. The primary outdoor recreation activity expanded through this grant is water access activities.
